On 24 February, the Ludendorff Laserne was occupied as previously by about 100

troops wearing signal insignia.

In mid-February, about 50 Soviet women with children moved 110 the 25X1

northeast section of Ludendorff Kaserne which previously quartered the infantry unit.

Comment. The three installations can be carried occupied as previously by 25X1

units of the 66th Sig Regt of the GCFC 25X1

In late October, the Schlieffen Kaserne had been occupied by the Teltow komendatura.

The Ludendorff Kaserne may have quartered a guard unit of this komendatura which now transferred into Schlieffen Kaserne.
